

# A PRAYING LIFE

## READING PLAN

"A Praying Life" sermon series is an opportunity as a church, and as individuals, to orient our hearts towards praying to our Heavenly Father. As we look at prayer throughout God's Word, we see numerous examples of praying through both difficult and easier life circumstances. We see God's people crying out to the Lord in faith and hope through trials of persecution and helplessness. We also see God's people rejoicing and praising God for His faithfulness and steadfast love. Regardless of the circumstances, we see an underlying current of thankfulness to God for His salvation, along with a deep desire to know Him more and abide in His love.

As you read, meditate, and pray through God's Word, continually ask God to press upon your heart your need to commune with Him. Ask God to help us all see the tremendous need to go to God in prayer in all of life's circumstances.
